Dear Prime Minister

I write to implore you to grant visas to the Tamil family from QLD who have now been in detention in Melbourne for 15 months. Medical evidence shows the deteriorating health of daughters Kopika 4 and Tharunicaa 2, while in detention, with vitamin deficiency evident in the shocking decay of Tharunicaa's teeth. Being isolated in a detention unit with a tiny yard is no way for a child to live. The family have already proved their value to the community of Biloela in the years they lived and worked there. They have suffered enough. Please grant them visas.

Sincerely,

Prime Minister
