What will it take for Australia to accept New Zealand's offer to resettle those who sought Australia's protection and are still languishing in PNG?

And what happens to those in PNG if we do not accept New Zealand's offer?

It's not illegal to seek asylum

Dear

I ask you please to respond to these two pressing questions regarding New Zealand's refugee offer.

What will it take to get Asylum seekers in PNG to New Zealand?

What is the Government's plan for asylum seekers in PNG who do not go to the USA?
