

## Palm Sunday Justice for Refugees – Lives on the Lawn Project Overview

The vision is for a visual display on Palm Sunday on the lawn outside St George’s Cathedral in Perth. The figures and colours below have been chosen for the WA Palm Sunday display, however others may wish to adapt this concept for their state or region.

The display will represent the number of refugee and asylum seekers in WA (as of current figures available from the department) via paper people cutouts.

We will have the following:

- Yongah Hill – 83 [Lilac]
- Christmas Island – 13 [Orange]
- PIDC – 5 [Fluoro Pink]
- SHEV/TPV – 997 [Lime & Pastel Green]
- Bridging Visa E – 537 [Marine Blue & Powder Blue]

***We need your help to create 1635 cut outs!***

***If you can help here’s the details.***

**Paper – A4 210gsm cardstock suggested brand Quill A4 210gsm Board 25 Pack**

Colours available at most Officeworks stores (you may need to check your local store for particular colours you have been assigned) - <https://www.officeworks.com.au/shop/officeworks/p/quill-a4-210gsm-board-lime-25-pack-qu95110>

Two colours have been suggested for the SHEV/TPV and Bridging Visa’s due to large numbers being required. If one colour is not available hopefully the other will be.

### Print

We are using the person template which can be found and downloaded here - <https://coloringhome.com/coloring-page/1676392?album=person-outline-coloring-page> Using the printing template, the easiest option is to print directly onto the colour card which should fit through a standard home printer. Alternatively, if printing multiple pages is an issue, cut out one template and trace around the shape onto the coloured card.

### Attach Bamboo Stake (Optional)

Each cut out figure will also need to have a bamboo stake attached to them to enable them to be placed in the grass on the day.

If your group is able to attach these it would be helpful. The suggested stakes for this project are ‘Flat Bamboo BBQ Skewers’.

They can be found in the BBQ section at **Bunnings**:

Or **Woolworths:**

Please attach the skewers as shown in picture below.

If the cost or collection of materials is a concern, please contact us so we can assist with supply.

Once you have completed the cut-outs please return by no later than **MONDAY 4<sup>TH</sup> OF APRIL** to either the **Amnesty International WA Office** 49 Colin St, West Perth or the **Uniting Church Centre** 85-89 Edward St, Perth during business hours.

A group of volunteers will then attach the hearts as shown and prepare them for display on the morning of Palm Sunday, 10<sup>th</sup> April 2022.
